

The
C.W.A. Local 2001
Scholarship Fund

PURPOSE

The Community Services Committee of Local 2001 of the Communications Workers of America was established to support the continuing efforts by the Union to further the goal of providing assistance to its membership and the community which it serves.

In 1991, a time of economic uncertainty, the Community Services Committee recognized the need to provide financial assistance to those individuals motivated to enhance their formal education after High School.

On September 16, 1991, in the spirit of furthering the cause of the labor movement, the Community Services Committee moved to establish the Scholarship Fund to meet the needs of those individuals.

It is proper that this scholarship be established to benefit those individuals motivated to excel as citizens of the community and the society in which they serve.
