Semester Begins September 14, 2009

Fiber, Electronics, Math or CAD are essential prerequisites to move into higher paying jobs in most telecommunications careers and registration is now being accepted for BACK TO SCHOOL. Classes begin September 14, 2009.

Moving up in your career or just wanting to move to a new job, then you need to look at taking courses like Math, Electronics, CAD or Fiber Optics to begin your future. All of these courses and more are offered on-line through the CWA/NETT Academy program operated by CWA. Go back-to-school this Fall with hundreds of CWA members. Have a group of eight or more in your workplace? Give us a call and we can bring the course to you.

Lynda.com access now available for August.

The new benefit added to the CWA/NETT Academy program has exploded with participation in the first two months. Participating members have completed over 1,562 movies on-line for over 150 hours. A variety of topics including Joomla, Excel, Photoshop, Twitter, Moodle, Final Cut, Premier, Dreamweaver and Groove. Not sure what these are, well check out these other titles available:

Reason, Air, ASP.NET, Drupal, Ebay, Flex, Vuvox and much much more...

CWA/NETT Academy is now offering members and their family access to hundreds of titles on Lynda.com as a complementary benefit of

membership. Go to
http://www.unionvoice.org/ct/1p_Isr71gBqc/LYNDA to view all
the courses available.

Participants will get two weeks of access to the site (by order
of request) and will be able to participate in any of the
courses. You may participate in several sessions throughout the
year.

2009/2010 Calendars Available

Free CWA keyboard/monitor calendars are now available, just
e-mail memberetc@cwa-union.org for one to be sent to you. Please
include address.

Who We Are

CWA/NETT Academy is CWA's online technical training program, at
http://www.unionvoice.org/ct/C1_Isr71gBq2/home.

Did you know that CWA/NETT Academy is an approved training
vendor for many union employer benefits programs (e.g. Verizon,
SBC, Qwest, etc.)? You will want to allow at least four weeks
processing time to be sure all your training benefits paperwork
is in order prior to your start date.

What We Offer

CWA/NETT Academy was developed specifically to provide CWA
members with the training employers require. All of our courses
are taught by professional instructors. Many courses offered
will prepare you for the jobs of the future. Some of our current
courses include:

- Fiber Optics - Electronics - Photoshop - Networking
Fundamentals -

If you are looking to achieve Certifications, we offer courses for A+, NET+, CCNA, and CCNT.

Check out the other courses at
http://www.unionvoice.org/ct/17_Isr71gBqd/HOME3.

Give it a try! Enroll in CWA/NETT Academy - Fall Semester begins September 14th.

CWA/NETT Academy courses are offered online with direct access to an experienced instructor from Stanly Community College. Classes are small, so you receive personal attention and top-quality education from a professional, while you are able to take the course on your own schedule. ONSITE CLASSES ALSO AVAILABLE. Just Call.

This could be your most important union benefit. Visit http://www.unionvoice.org/ct/C1_Isr71gBq2/home and log in for all the details. If you have questions, contact us at 1-877-676-4553 or via e-mail at memberetc@cwa-union.org.
